

We have set out the following information below to provide you, in the name of and on behalf of the participating insurers, with an initial overview of the types of insurance available for you and your yacht. Please note that the policies under which coverage is available are separate policies. We have brought together the information on all the above mentioned types of insurance and included it in this product information document. Full pre-contractual and contractual information is contained in the recommendation, the application form, the insurance policy and the accompanying conditions of insurance and mandatory disclosures. Please therefore ensure that you read through all the policy terms and conditions carefully. The insurance benefits set out below are applicable only if you have taken out the related insurance contract. If you restrict your choice to just one or only two types of insurance, then only the information relating to those types of insurance and the General Part D of the Pantaenius Yacht Conditions (PYC), will be relevant to you.
